

CUXTON SOCIAL CLUB

August 2015 Newsletter

It's exciting times for the Club! Soil testing and feasibility studies of the Sports field are being undertaken and the actual work is likely to begin very shortly. Our members have been working hard on the exterior by replacing the old fascia with a new bright one that is weatherproof and easier to manage. The gardeners amongst us also work all year round maintaining the plants around the Club. We now have a lovely patio area and garden where many of us are able to enjoy a drink in the sunshine. Members have benefited from a bbq on the occasional Friday too. Since our last newsletter, we have been entertained by a diverse selection of acts including **The Peninsula Big Band** who will be returning in December with programme of music with a festive theme. **Zeus** a Heavy Rock Band covering hits from AC/DC to ZZ Top, **Duck Soup**, an old favourite of ours and **White Pepper** who played covers and some original numbers.

The Darts league matches start in a few weeks and Cuxton's teams are always looking for new talent. If you are interested, call in at the Club on a Friday evening and speak to Peter Horton or Steve Paine. We continue to play non-league darts on Fridays throughout the year. We also have a meat raffle on Friday evenings.

We aim to improve the Clubs interior as well as the outside and if all goes to plan we will begin to upgrade our bar in early September. We hope to undertake most of the work ourselves and will be most grateful for anyone prepared to give us hand.
